

Father's  
Day

The image features a repeating argyle pattern of pink and red diamonds on a white background. In the center is a dark brown, scalloped-edged label with a white double-line border. The label contains the text 'Father's Day' in a white, elegant cursive font. A white mustache icon is positioned between the two lines of text. At the top and bottom of the label, there are three small, white, diamond-shaped decorative motifs.
